Dear Colonel Knight:

On behalf of the Daytona Beach Police Department, please accept our sincere thanks and appreciation for the assistance rendered by your personnel during this year's July NASCAR race events at the Daytona International Speedway.

I would like to formally recognize the outstanding performances of Captain Robert Duncan and Lieutenant Kevin Vaughn for their pre-planning assistance, and the Troopers under their command during the event. The aforementioned personnel provided the valuable assistance needed to maintain a safe environment for the thousands of race fans that visited the greater Daytona Beach area. Their dedication to duty, attention to detail and outstanding teamwork reflected highly on themselves and the Florida Highway Patrol's Office.

Due to the increased threats of terrorism worldwide, the need for inter-agency Law Enforcement coordination, cooperation and communication of events like the Pepsi 400 cannot be understated. The Daytona Beach Police Department and the Florida Highway Patrol are truly dedicated to making our events the safest in the country. Thank you again for your assistance in making this year's Summer NASCAR racing events the most successful in recent history.

Sincerely,

  
Dennis M. Jones  
Chief of Police
